

THE NATIONAL FEDERATION  
OF  
REPUBLICAN ASSEMBLIES:

The field of political candidates (and what they stand for) changes almost every time you blink.

But not every Republican candidate represents the vast conservative majority in our Party.

At the National Federation of Republican Assemblies we're here to help voters navigate the political terrain.

And we will be standing beside you - Fighting for the Future of our conservative Republican Values.

FAMILY

FAITH

**HOLDING POLITICIANS ACCOUNTABLE**

Republican Assemblies are unafraid: we ask the hard questions, putting national, state and local candidates through a rigorous endorsing process, helping voters choose only true conservatives who will fight for *real* Republican values.

WORK

MARRIAGE

LIFE

**WHY IT MATTERS**

We call ourselves “the Republican Wing of the Republican Party” for good reason: we stand for *real* Republicans, the millions of conservatives who vote and dig deep to pay the Party’s bills. Our conservative Republican values matter, not just because they’re right, **but also because they win.** Liberal elites don’t understand that, but we do. And by standing together through the NFRA, we can build a Party that *deserves* to win again, and an America that’s safe, moral, strong and free.

FREEDOM

**HOLDING OUR PARTY ACCOUNTABLE**

But we don’t stop with candidates. Our Party belongs to millions of hard-working Republicans, not liberal Party insiders and consultants. So we work just as hard to elect real conservatives to lead *our* Republican Party, replacing so-called “moderate” Party officials with men and women who’ll stand for our values and for us.
